

# Convert ANY Existing Magnetically Based 4" MR16 Recessed Fixtures to NEW Clarté Lighting 3" LED Trim

Easy, just like changing a burned out MR16 lamp to upgrade to a new 7 year warranty Clarté LED trim!

## Existing Fixture Housing

Halo 1499  
Juno TC 2  
Any similar style fixture...

4" Straight/Round  
Sided Housing

Iris  
Lightolier  
Lucifer  
Element  
Kurt Versen  
Prescolite  
Any similar style fixture...

4" Architectural  
Square/Rectangle Housing

## Select the Correct Trim Type

(tc) Tension Clips

(sc) Spring Clips

## Plug in the 2-Wire Clarté Whip into MR16 Plate

Add RET to any 3" trim to specify Retrofit Version.  
Retrofit Version = bipin plug and LED driver inside Clarté PAR16 scale heat sink.

Clarté Retrofit Bipin Plug
